HR for Health

cda California Dental Association

Effortless. Efficient. Your Complete HR Solution.

Total Management Suite
With payroll processing, electronic time clock, and performance management, HR for Health is the first and only all-in-one HR solution dedicated to helping dental practices.

Accurate Timekeeping
Our integrated timekeeping tool makes management easy. Stay on top of employee performance and avoid lawsuits with fully compliant documentation.

Easy Onboarding
With easy onboarding tools, including a new hire checklist, customizable employee manual, and always accessible HR forms, adding new offices and employees is quicker and simpler than ever.

Employee Manual
Customize your handbook with your benefits and company policies, we'll take care of the rest. Compliance is made easy with automated local, California, and federal updates.

Save time, reduce errors and manage your team — with one single login.

HR, Payroll, & Employee Scheduling — All in one place.
